Instruction For Use

SIMPLE Ankle Brace A3

Model: 62009&62010 Size: S/M, L/XL

Thank you for purchasing our products! Please read this instruction carefully before operation! To fully understand the product, in order to ensure the safety and effectiveness of the product, and please properly save the manual for future reference

Product overview

- 1)Product name: SIMPLE Ankle Brace A3
- 2)Product model: 62009&62010
- 3)Product specification: S/M, L/XL
- 4)Product Structure:

The product is mainly composed of polymer shell, sponge pad, straps, rivets, magic stickers and so on.

5)Operating principle

The product adopts lightweight design, easy to use and comfortable to wear. The product is a functional ankle protector, which can stabilize the upper ankle joint and help prevent foot varus and foot valgus. A solid shell in accordance with the anatomical shape of the human body provides a solid and comfortable fitting experience for patients. The built-in soft-foam pad and a specially designed flexible edge help to prevent pain points and provide a comfortable feel to the patient. Adjustable straps are easy for patients to use. The structure of the product is slender and can be worn in all kinds of shoes

6)Scope of application

- Ligament and capsule injuries at the upper ankle joint (e.g. ligament ruptures, strains, distortions)
- Slight soft tissue injuries
- Chronic ankle instability
- Rehabilitation and prevention of ankle injuries
- Acute, chronic, and inflammatory edema
